

When attention to detail and efficiency matters, Farmers & Merchants Bank turns to CashTrans for ATM Outsourcing.

Piedmont, AL – Farmers and Merchants Bank in Piedmont, Alabama has expanded its footprint by partnering with CashTrans for a remote ATM outsourced solution in Anniston, AL. This remote ATM is located at 3320 Henry Rd, in the Golden Springs shopping center. This new location supports the bank’s brand strategy to service existing and new customers with convenient banking services via advanced ATM technology and at a cost far below the norm.

“We are delighted with the consulting, planning, implementation, processing solution and service support provided by CashTrans throughout this entire project. ATM outsourcing with CashTrans is made so easy and at a cost far below what we would have spent by not partnering with them,” stated Chris Latta, CFO at Farmers and Merchants Bank.

Financial Institutions of all types and sizes across the southeast have looked to CashTrans for turn-key ATM solutions. These solutions can include equipment, processing, first-line, second-line, monitoring, 24x7x365 Help Desk and much more. CashTrans has also produced a video that reviews in detail all of the elements that can be handled by our ATM outsourced program.
