

Innovation in Branch Design and Services...Huge Success!!!

Tucker, GA – **Go Energy Financial Credit Union's** branch located in East Paulding county is an innovative, open-concept design built for modern convenience and community involvement. Included in the planning and design were advanced interactive teller equipment and digital services provided with the support of **CashTrans**, a leader in advanced banking equipment and services.

“Our East Paulding branch in Dallas, GA has been a wonderful success. We fully achieved our goal to deliver the most flexible and customer-centric services to our members,” stated Becky Hulett, Chief Financial Officer at **Go Energy Financial**. “It has been amazing how quickly our members embraced the digital and video solutions that we provided with the help and support from **CashTrans** our preferred equipment vendor.”

“The **Go Energy Team** has been indeed a pleasure to work with throughout the entire project. Every challenge and opportunity were addressed in a highly professional manner and with a desire to succeed in delivering the best experience possible for the credit union member and employee. It has truly been an honor to work on this and other projects with this amazing Go Energy team.” Stated Fred Ethridge, Senior Consultant at **CashTrans**.
