Webinar Recording Available on ADA ATM Compliance!

Austell, GA – CashTrans recently sponsored and hosted an ADA ATM Compliance webinar with industry expert Rob Evans, Director of Product Management at Nautilus Hyosung America. This webinar was in response to the many questions raised by financial institution executives across the country on the Americans with Disabilities Act which requires all financial institutions, regardless of size, to comply with various accessibility specifications for their ATM fleets by March 12, 2012.

The webinar's main presenter, Rob Evans has a long and distinguished career of almost 30 years in the ATM manufacturing industry and is considered a preeminent expert in ATM product development and security. During the webinar, Mr Evans thoroughly reviewed the ADA Guidelines, recent changes, what financial institutions need to do, and lastly, additional information resources for attendees. The webinar was hosted in late November had record attendance. Each attendee was sent a copy of the detailed slide presentation along with a copy of an

ADA Compliance brochure from CashTrans. The webinar recording and information is available today by visiting the CashTrans website at <http://www.cashtrans.com/>. Join us for this information packed webinar recording that should help your institution as it works through the ADA compliance maze.
