Deploying A Robust ATM Solution For Our Members Has Been Made Easy!

Macon, GA – Georgia Guard Credit Union has selected CashTrans to manage the deployment of a new drive-through ATM operation near the Georgia Guard training facility entrance located in Savannah, GA.

“We are pleased with the opportunity to partner with CashTrans to deliver 24-hour convenience to our members in Savannah, by placement of this ATM, at a cost far below anything we expected,” stated Debra Montford, President and CEO, Georgia Guard Credit Union. “We believe that the decision to deploy off-premise Georgia Guard branded ATMs will prove to be one of the cornerstones in our growth strategy,” continues Ms. Montford.

On Wednesday, March 18th the management of both Georgia Guard Credit Union and CashTrans attended a ribbon cutting ceremony at the new Georgia Guard ATM Location. Pictured below on the left is the new ATM location and on the right those attending the ceremony.

“We are delighted to partner with Georgia Guard Credit Union to offer ATM convenience around-the-clock to their members located or training in Savannah, GA.,” says Fred Ethridge, President, CashTrans. “Our outsourcing model is sound and works well, particularly for smaller institutions with little capital to invest in top-of-the-line ATM equipment.” “We have proven over-and-over that outsourcing works for anyone including even the larger institutions with many ATMs and tens of thousands of customers,” continues Mr. Ethridge.
