Capitol City Bank Expands ATM Convenience with the support of CashTrans!

Atlanta, GA – Capitol City Bank and Trust Company has recently added a remote drive-through ATM location near one of Albany’s fastest growing retail areas. Deploying remote ATMs in off-premise locations has proven to be a great strategy for Capitol City Bank to extend the bank’s brand and to meet the needs of its customers for convenient access to cash. Currently, Capitol City Bank has 14 ATM locations and CashTrans is pleased to continue to support the bank and its ATM expansion by providing equipment, installation and quality service.

“Working with the CashTrans team has been a pleasure and we are confident that the uptime and availability of this new ATM serving both customers and non-customers will be exceptional,” states George Andrews, President of Capitol City Bank.

“Over 60% of all ATMs in the U.S. are remote or at off-premise bank locations,” stated Jimmy Ross, Georgia Account Executive at CashTrans. “Capitol City Bank clearly realizes the importance of serving their customers and we are pleased to be a part of that effort,” continued Mr. Ross.

Feel free to contact Jimmy Ross at jimmy.ross@cashtrans.com or by phone at 678-432-6796 for any additional questions or simply visit the CashTrans website at <http://www.cashtrans.com>.
