Enmark Partners with CashTrans to Upgrade its ATM Fleet!

Austell, GA – Cash Transactions, LLC announces that Enmark Stations, Inc., headquartered in Savannah, GA, has partnered with CashTrans to upgrade its entire ATM fleet. This major storewide upgrade will ensure that all Enmark stores have the latest and most advanced ATM equipment available to their customers and that all ATMs are fully compliant with the new U.S. Department of Justice American Disabilities Act requirements which mandates enhanced capabilities for American with disabilities.

“Since 2002, our relationship with CashTrans has been superb and we are very pleased to continue and expand our partnership to ensure that we have the latest ATM equipment that serves the needs of our customers,” stated Jerry Morris, Director of Operations at Enmark.

“Enmark Stations is an outstanding client and it is our pleasure and honor to continue to work with them through this major storewide project,” states Blakely Brown, Retail Account Executive of CashTrans. “Retailers across the U.S. have until March 15, 2012 to upgrade their ATM equipment to comply with the new ADA ATM requirements that include requirements for voice guidance, input controls, height, reach and signage,” continued Ms. Brown.
