H.R.4367 has unanimously passed the House of Representatives 371/0 on July 9th which eliminates the requirement to post exterior fee notices on ATM's!

It has been sent to the Senate for a vote...

Dear Clients and Colleagues,

CashTrans encourages you to contact your Senate representatives today and ask them to support the companion bill to H.R.4367 in the Senate S.3204 which will come to a vote in the Senate soon.

These bills were introduced to eliminate the requirements to post an exterior fee notice on ATM's in the U.S. Emailing or calling your Senate representatives will help make passage of this important legislation a reality.

The rash of frivolous signage lawsuits can be eliminated by the removal of the physical signage requirement language in Reg E.
