## **Trust Federal CU Partners with CashTrans to offer ATM services through its Mobile Branch!**

**Austell, GA** – Trust Federal Credit Union, headquartered in Chattanooga, TN has partnered with CashTrans to offer ATM service as another convenient service option available from their new Mobile Branch.

In an effort to strategically service its members, Trust Federal Credit Union introduced a Mobile Branch. This “branch on wheels” is currently located at their new property construction site at 1529 Gunbarrel Road in East Brainerd. The mobile branch offers convenient services available Monday through Friday from 9:00 a.m. to 2:00 p.m. at the site. The mobile branch is also used for on-site employer group visits and marketing promotions.

“We are delighted to have worked closely with the Trust Federal Credit Union management to deliver a major component of this program, the ATM. It was challenging in the light of the logistics inherent in a mobile environment. It was definitely a wonderful team effort by both the credit union and our staff.” stated

Loretta O’Dell, CashTrans Account Executive for Tennessee.

“CashTrans really helped us move the project along. We needed a tabletop ATM due to exterior height limitations. We contacted several ATM vendors for help. CashTrans was the only vendor who came up with a solution.” stated David Smart, President / CEO Trust Federal Credit Union.
