

The Next Generation: Branch and Security

September 27, 2012

Are you confused by the term, branch transformation? What exactly does it mean and how do you implement it? Learn about channel transformation strategies and the technologies you can implement to increase efficiencies in the branch. Then take a 360-degree view of security in the branch. What are the trends, latest technologies and how do you manage it all? From fire and life safety services to your ATM network, find out how they all should be interconnected in your security strategy.

Hear from industry experts and visit with vendors over lunch to see the latest technologies.

Join us at the upcoming free seminar and be entered to win* an iPad® 2!

CashTrans is a **Diebold Certified Dealer** for FIs in Georgia, Alabama and Florida. We look forward to seeing you at this seminar!
