

Cash Transactions, LLC - Agent Financial Institution Merchant Services Program

We make it easy for community financial Institutions to compete when it comes to offering merchant services and credit card processing. We increase your profits and our **Agent FI Partnership Plan** offers you no risk, no liability, and a high reward opportunity that can benefit both your institution and your merchant customers.

Our **Agent FI Merchant program** allows you to outsource the backroom functions such as, settlement and clearing, statement generation, and provides your merchant members with secure online access to their accounts. You will receive a monthly profitability analysis that reflects your monthly volume, fees and the number of transactions for the month. We specialize in integrated, electronic payment gateway technologies, and provide nationwide merchant services for retail and internet business owners.

Our **Card Department** will work closely with you in communicating to your merchant customers and we assist all your new and current merchants throughout the boarding process. Our technical support staff will provide outstanding personal customer service 24 hours a day, 7 days a week.

Key Benefits of our program include:

- ✓ Advanced point of sale technologies
- ✓ High income potential
- ✓ Accept all major credit and debit cards
- ✓ Aggressive merchant pricing
- ✓ No inappropriate, hidden fees
- ✓ Customer service & technical support 24/7/365
- ✓ No liability to the FI for merchant losses
- ✓ Choice of equipment terminals
- ✓ Low rates and processing fees
- ✓ Quick installation
- ✓ Online reporting/transaction management/monthly statement review
- ✓ Monthly split of all net profits
- ✓ Partnership with a company you know and trust
- ✓ Issuance of merchant-branded gift cards

Our Partnership Profit Pledge: With our program, any area that creates revenue for Cash Transactions, your institution will have the opportunity to profit as well. This means we can tailor a proposal to beat the competition and still make the money you expect. Our partnership will make your staff more productive by eliminating the duties dealing with approving and opening merchant accounts, programming credit card machines and dealing with customer service issues. With our rate structures, we simplify the process of setting up merchant accounts. We believe in full disclosure with all of our clients, merchants, sales representatives and our Agent FI Partners.
